skennedy@Nova401k.com

Scott Kennedy joined Nova 401(K) Associates in October of 2015 and is currently the National Sales Leader for Nova. Scott is based in the Dallas office, his responsibilities include building and cultivating relationships with broker dealers, training and mentoring the sales team as well as developing and deploying key initiatives across the organization.

Scott has over 28 years of experience in the financial services industry. He has previously worked with the owners and senior management of Independent Broker Dealers to provide them and their advisors with a myriad of clearing, execution and custody solutions. He has served in sales, compliance, risk management, relationship management and over the last 11 years he has focused on helping advisors and businesses with their qualified plans.

Scott's approach to the retirement industry has been very consultative in nature, and he prides himself on his ability to help advisors find the appropriate solutions for their clients. He has a sense of urgency and relentless drive that he combines with his strong business acumen and extensive and diverse background to be a powerful partner for advisors.

Personal

Scott graduated from Texas A&M University with a Bachelors of Business Administration in Finance. He holds the Qualified Plan Financial Consultant, QPFC designation from the National Association of Plan Advisors.
